Information

School year 2026/2027

This form is intended for applying for the continuation of family allowance for a child attending secondary education or a specialized training institute or a psychopedagogical competence center.

This form must only be completed if the child is attending a secondary school (classical, general or equivalent), a specialized training institute, or a psychopedagogical competence center.

If the child is pursuing higher education (university, BTS, university college or similar), this form does not apply. Financial aid may be requested via www.mengstudien.lu.

If the child has stopped studying, there is no need to fill in this form.

Depending on the situation, specific supporting documents may be required. These must be uploaded at the end of the online procedure. Without these documents, the request cannot be submitted.

Further information regarding the conditions for continuation of the family allowance can be found in the [Frequently Asked Questions on the website of the Caisse pour l'Avenir des Enfants](#).
